Key:

Munros	The 282 Scottish mountains over 3000ft as listed by the SMC.
Tops	The 226 subsidiary Scottish summits over 3000ft as listed by the SMC.
Furths	The 34 summits over 3000ft in England, Wales and Ireland as listed by the SMC.
Corbetts	The 222 Scottish mountains ≥2500ft and <3000ft (with 500ft of 'prominence') as listed by the SMC.
Grahams (2000ft)	The 219 Scottish mountains ≥2000ft and <2500ft (with 150m of 'prominence').
Donalds	The 141 lowland Scottish summits over 2000ft as listed by the SMC.
Marilyns	The 1556 summits in Scotland, England, Wales and the Isle of Man with 150m of 'prominence'.
	The Marilyns include all the Grahams and Corbetts, 203 Munros and 9 Furths.

The lists occasionally change but a compleation is considered valid if it includes all the hills on the list at the time of compleation.
